Orbit Digital: Response to RFP-2026-014: Cloud Contract and Invoice Management Platform for Meridian Manufacturing Ltd (fictional company)

1. Executive Summary and Understanding of the Requirement

Orbit Digital has delivered contract and invoice platforms for manufacturers for eleven years and brings deep experience in this domain. We understand Meridian's need to consolidate its procurement-to-pay processes and are confident that our proven platform will meet your needs.

2. Proposed Solution and Implementation Approach

Our platform covers contract repository, purchase-order matching, invoice capture and approval workflows. It is deployed as a managed cloud service.

Integration with existing systems will be agreed during the discovery phase, once we have reviewed Meridian's landscape. We have integrated with many ERP systems in the past and will select the best approach with Meridian's IT team.

3. Timeline, Team Structure and Milestones

Milestone	Target
Discovery	Month 2
Build	Month 5
Testing and go-live	Month 8

The team will be confirmed after contract award and typically includes a project manager, consultants and engineers.

4. Price Table and Assumptions

Item	Price
Platform subscription (3 years)	USD 520,000
Implementation	USD 430,000
Hosting (3 years)	USD 230,000
Total 3-year cost	**USD 1,180,000**

Assumptions: Pricing is based on a standard configuration. Integration work beyond the standard scope will be quoted after discovery.

5. Security, Compliance and Risk Controls

Orbit Digital is ISO 27001 certified and encrypts data in transit and at rest. Access is controlled by user roles. Further detail on controls is available on request.

6. Support Model, Relevant Experience and References

Support is available 08:00 to 20:00 CET on working days with a 4-hour response for urgent issues, and an account manager is assigned to each customer.

Orbit Digital has been operating for eleven years and has completed fourteen similar implementations for manufacturers. Five references are provided: Halden Components, Marlow Engineering, Tekna Plastics, Voss Automotive and Eastgate Textiles, each with a named contact role (Finance Director or Head of Procurement).

7. Commercial Terms and Validity

This response is valid for 90 days from the submission date. Prices are quoted in US dollars and exclude applicable taxes. Payment terms are 30 days from invoice, with implementation fees invoiced against agreed milestones.

The supplier confirms that it has read the RFP, accepts the evaluation process described in it, and will treat all Meridian Manufacturing information as confidential. Any exceptions to the draft contract will be listed during clarification.
